	CONFIDENTIAL	25X1A	
25X1A	German Aviation Industry is located at Sommenstein Castle in Pirma. The installation is subordinated to the Main Administration for the Transport and Machinery Industry at 24-32 Koethener Strasse in Dessau, which again is assigned to the Ministry for the Transport and Agricultural Machinery Industry. The Technical School for the Aviation Industry is attached to the Materials Testing Laboratory. The installations mentioned have nothing to do with VPL installations, which are subordinate to the Ministry of the Interior. In order to underline this difference, the VPL training courses previously held in Pirma were moved to some other place, possibly Halle. The exact character of these training courses has not been determined. It app are that meteorological and signal courses besides courses for future VPL engineers were held in Pirma.
